

Provision of Care: History & Physical

- H & P must be completed & documented **within 24 hrs. following admission** of the patient, **but prior to surgery or a procedure requiring anesthesia services (including moderate sedation).**
- **H&P Exams performed within 30 days prior to admission may be used** if the following requirements are met:
 - Physician writes an update note which is written on or attached to the H&P.
 - The words **“re-examined the patient”** must be present. Required by CMS.
 - The H&P and any updates/assessments must be included in the medical record within 24 hrs. of admission, but prior to surgery or other procedures whichever comes first.
- **H&P performed more than 30 days prior to admission, outpatient, observation, or outpatient surgery does not comply with timeliness requirements and a new H&P must be performed.**
 - H&P Required Components: Chief Complaint, Details of Present Illness, Relevant Past, Social and Family History, Physical Examination, Statement on conclusions
 - Short Form H&P can be used for a hospital stay not expected to exceed 24 hrs. – At a minimum: Vital signs, mental status, heart, lungs and reason for hospitalization must be included

Provision of Care: Informed Consent

Must include person performing procedure

Three required signatures. All signatures require date and time signed

If someone other than the patient has to sign make sure they are authorized to do so.

Informed Consent

Joe Smith
4332220801
DOB: 4/15/62

Dr Gerald Jones
Name of person authorized to perform procedure
